Celebrating Success Overcoming Challenges

We are thrilled to share with you a testament to the transformative power of education: the achievements of our sponsored children in the 2023–2024 academic year.

This year, we are proud to celebrate 52 exceptional students who have overcome significant challenges to excel in their Class 10/12 final exams, scoring over 90%. These children come from financially challenged families, with some facing the additional hardships of being single-parent children or orphans.

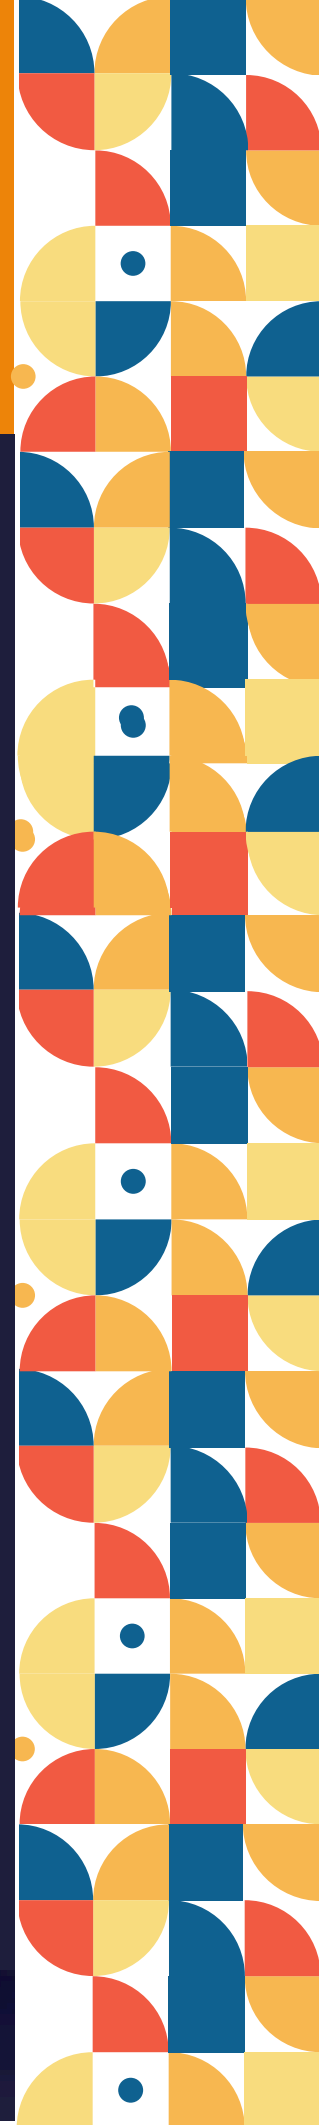

Their remarkable success is a direct result of their dedication, combined with the invaluable support provided by the Sewa International Sponsor A Child program. By investing in their education, we empower them to break the cycle of poverty and build brighter futures for themselves and their families.

The attached list recognizes these outstanding achievers. We invite you to explore their stories and witness the impact that your support, through the Sponsor A Child program, is making in the lives of underprivileged children.

Thank you for your continued partnership in empowering these young minds.

Achievers from Karnataka

Monica A

SAC ID: 22/KA/G-1400

Class: 12

Score : 97%

Monica A., a brilliant student, comes from a family of four struggling financially. Her father's accident limits his work as an auto driver, forcing her mother to take on extra jobs. Despite living in a rented house, Monica shines academically, scoring 99% and 97% in her exams. Her perfect score in Maths showcases her dedication and academic potential. Monica dreams of becoming an engineer and landing a high-paying job to support her family. Sewa International's sponsorship empowers her education, freeing them from financial burdens. Monica's younger sister also benefits from this support, having recently completed her Class 10 exams. Their family expresses immense gratitude for Sewa International's life-changing assistance. Monica enjoys singing and reading in her free time, showcasing her well-rounded personality. Beyond academics, she helps her mother, highlighting her strong family values.

Kishor Gowda

SAC ID: 22/KA/B-86

Class: 12

Score : 95%

Kishor Gowda, a determined young man, faces hardship after his father's passing from COVID-19. His family of three, including his younger brother awaiting Class 10 results, relies on his mother's income and government aid. Despite this loss, extended family provides some support. Kishor excels academically, scoring 97% and 95% in his exams. He dreams of becoming a computer engineer to fulfill his mother's dreams. Financial limitations prevent him from joining coaching classes, but he prepares diligently at home. He is grateful for his Guru's unwavering support. Kishor has ambitious goals, aiming for the IAS exam in the future to improve education and fight corruption. Sewa International's support through SAC allows him to pursue his dream at a well-resourced college. The entire family expresses heartfelt gratitude for this life-changing assistance.

Navaneeth.N

SAC ID: 22/KA/B-3404

Class: 12

Score : 95%

Navaneeth lives in a family of six in Karnataka. Life got tough after his father, a priest, passed away from COVID-19. They even lost their government-provided house and had to rent a new one. Despite having little help from relatives, Navaneeth did amazing in school, scoring 95% in his 12th boards. He studies hard and even plays volleyball and cricket in his free time.

This bright young man wants to finish college, get a good job, and take care of his younger siblings. He even plans to keep learning through a part-time program. SAC has been a huge help for Navaneeth and his family, allowing them to stay in school. His mom is so grateful for Sewa International's support, and believes education is the key to a better future for her children.

Ananya

SAC ID: 22/KA/G-741

Class: 12

Score : 94%

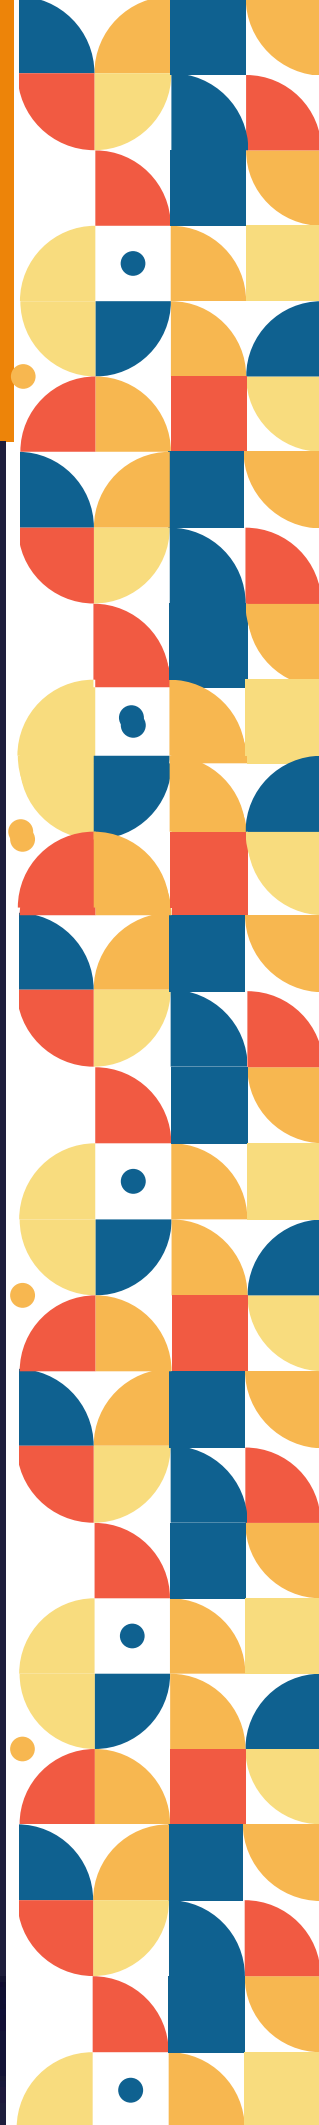

Ananya, a bright student, comes from a family of four facing financial challenges. Her father, a milkman, and her mother, a maid with health issues, work tirelessly to support the household. Their income, supplemented by a government scheme, barely covers their rented house expenses. Despite hardship, Ananya shines academically, scoring 94% in her board exams. Beyond academics, she enjoys badminton and singing, showcasing her well-rounded personality. Though financial limitations restrict her from extra classes, she prepares diligently at home. Supported by friends attending coaching, she aims to become a neurosurgeon or an AI engineer. Sewa International's aid eases her family's burden, allowing Ananya to chase her dreams. Her future vision includes opening a village hospital and supporting children's education. The family overflows with pride, and Ananya expresses deep gratitude for Sewa International's help.
